UPDATES SINCE LAST REPORT:

- Our bid for a Foundation District Grant has been approved in full of no supplementary information required. Our polio friends were well prepared and the programme starts on 8th September and will run each week until the end of the year fully funded by the club. As part of the grant approval we need to show Rotarian involvement with the programme and thus we are seeking volunteers to help participant on a Friday morning to go to and from the pool.
- A box of 5,000 crocus bulbs has been ordered for distribution to the public in Wellingborough in the autumn.
- The first donations of books etc have now been received.

RESOURCES / SUPPORT REQUIRED:

- Individual commitment to donate to our giving to the Annual Programme Fund.
- Continued support for the weekly bonus ball.
- Please bring in your unwanted books, CDs and DVDs for the Ziffit experiment. The items need to be in good condition please.
- Support our call for support to distribute the crocus bulbs later in the year.
- Help is now required with the hydrotherapy programme. Please see the circulating list of dates
