

CHAIRMAN: Dick Parsley

VICE CHAIRMAN: Nigel Cheetham

COMMITTEE: FOUNDATION

COUNCIL MEETING DATE: 27th February 2018

KEY PROJECTS:

- Crocus Bulbs – distribution **Completed**
- Recycle books, CDs and DVDs through Ziffit - ongoing
- Individual commitment to support our Foundation - ongoing
- Hydrotherapy support for polio survivors – Continuing each **Thursday**
- Bonus Ball – ongoing
- Promoting End Polio Now – Castle Theatre showing of “Breathe” **Completed**

UPDATES SINCE LAST REPORT:

- We have now expended most of the grant and club monies allocated to the Hydrotherapy project. The balance of some £90 will be spent on completing some assessment work on those taking part in the scheme to show value when it comes to submitting our final report to the Foundation Grants Team.
- DG Chris paid an informal visit to Moulton College on Thursday 22nd February to see for herself the work we are doing with the BPF Hydrotherapy sessions. In her words: “Fantastic scheme and it was a great pleasure to meet everybody there.” The programme will continue to run to at least the summer and we will still need hands-on help; our thanks to those already supporting the programme but the more people added to the helpers list the better.
- The first donations of books etc have now been received and processed. Nigel and I are starting to get a feel for what ‘sells’. Generally, special interest books are needed rather than paperback fiction.
- The District 1070 Foundation Lunch takes place at Greetham Valley on Sunday 15th April 2018 at which President Nigel will receive recognition for our contribution to the APF/Polio last year.

RESOURCES / SUPPORT REQUIRED:

- Individual commitment to donate to our giving to the Annual Programme Fund.
- Continued support for the weekly bonus ball.
- Please bring in your unwanted books, CDs and DVDs for the Ziffit experiment. The items need to be in good condition please.
- **Help is still required with the hydrotherapy programme.** Please see the circulating list of dates and support the programme where you can.

Taken to Council: 27th February 2018

Dick Parsley
