UPDATES

- **Wrenn Academy**
Well, 3 things really I would like to express...
(i) MasterChef – After the final in December last year the winner went on to the district final in Peterborough and although not winning, did very well according to Mark who went as a representative Rotarian from Hatton. Preparations will be underway again later this year to provide yet another finalist sponsored by us.
(ii) Youth Speaks – No representatives were present from Wrenn at this semi-final that was held in the Mountbatten Hall and was great to watch. Thanks go out to Hatton Rotarians, Dick Parsley, Dick Voller, Brian Evans, Mark Short and couple of the ladies from inner wheel (Gilla Parlsey and Jean Harrington).
(iii) Santa Sleigh – Our president (Nigel) has been in talks with the head at Wrenn and in principal has agreed to take on a project of refurbishing the sleigh in time for it's next outing. Details to be finalised, John & Barry Rogers to be involved. Our president could elaborate here if he so chooses and time allows.

- **Fund Raising**
always looking for ideas to fund raise and swell the coffers of our charity account and to this end the Sham-bolyics will be performing at specific times this year to aid this. Keep listening and an eye out for notifications to come.

Finally, I would like to express my thanks to those who have supported me recently over the past couple of months as they have been a little difficult with personal issues. These haven't completely dissipated but have eased considerably now and I should be back on top shortly. – Paul James.
