UPDATES

- **Wrenn Academy**
Wrenn has just recently come back of the summer break and hopefully well into the swing of things by now. Links and communications with the School is continuing and always growing steadily on a weekly/monthly basis.
- **MasterChef** – Recently emailed Wrenn in preparation and ‘CC’ those who needed to be acknowledged as we continue to sponsor this great event and put the worthy winner through to Rotary district final.
- **Santa Sleigh** – I have requested a brief discussion with the school to discuss what was briefly touched on at a recent meeting within the past couple of weeks with Rotarians John & Barry Rogers, David Smith & Bob Parfit.
- **Fund Raising** – Currently nothing booked in for the remainder of this year. Always open for suggestions however.

NOTES: Back to work.
