

CHAIRMAN: Dick Parsley VICE CHAIRMAN: Alan Waller

COMMITTEE: FOUNDATION REPORT FOR AGM

MEETING DATE: 5th May 2020

KEY PROJECTS:

Recycle books, CDs and DVDs through Ziffit – ongoing

- Claim rebates of 10% from holiday bookings with Riviera Travel
- Individual commitment to support our Foundation ongoing
- Hydrotherapy support for polio survivors continuing each Thursday
- Bonus Ball ongoing

REPORT FOR THE YEAR TO DATE:

- Bonus Ball. Sadly, the schedule of face to face meetings interrupted by the onset of
 Corvid 19 has mean that only 10 completed cycles have been completed so far this year
 raising £245 for the Foundation Annual Programme Fund. The start of the club meeting
 regularly on-line has allowed a virtual return of this fund raiser with one further cycle now
 complete.
- BPF Hydrotherapy Programme. The weekly hydrotherapy pool sessions carried on up to 12th March when social distancing measures forced the suspension. However, up to that point the hands-on support of some members and their partners meant that the programme ran successfully. The second District Grant was successfully signed off as complete early in the year. It was a great milestone for the club when the Northamptonshire Branch of the BPF agreed to become corporate members of the club.
- Ziffit. There are still some books and CDs waiting to be process for sale to Ziffit.
- **Rivera Travel Refund.** One refund of £197.80 was paid into the club trust account from Rivera Travel.
- **Disability Games**. The club entered a team from the BPF for the D1070 Disability Games to be held in Stamford in April. Sadly, the event had to be cancelled. The intention is to carry the activity forward to 2021 when it will be help in Lincoln.
- **Personal Contributions**. There is still time for individual members to make a personal contribution to either the Annual Programme Fund (when the money raised this year become available to spend on projects in 3 years) or to End Polio Now. This can be done through the club account or direct to RFUK at Alcester.
