

Group: Spire Satellite Group & Environmental

Team Leader: Tony Frankland

DATE: July 2021

2020-21:

- Autumn 2020 Spire Satellite Group formation approved and supported by Rotary Club of Wellingborough Hatton Hatton
- Intention to appeal to the community with flexible, lighter, efficiently functioning group of all genders, families, friends, supporters other groups and volunteers.
- Group to report to Hatton with regular updates through club council and business meetings
- Separately organised - support for each group with different opportunities for community

Initial progress to date

- November 2020 - Provided team from Spire Group and community volunteers to cover 8 hours with a stall on behalf of Royal British Legion Poppy appeal raising £1600
- December 2020 - Santa Sleigh collection, 7 nights with Spire members and supporters raising over £2000 for the local community
- January 2021 - offered to support Cransley Hospice with Christmas tree recycling collections, unfortunately cancelled due to pandemic rules
- June 2021 - Isebrook project started with initial clearing overgrown garden, paths, shrubs etc. Long term project of creating & maintaining sensory & Well-Being garden for hospital

Events/Projects 2021/22
