Wellingborough - Hatton

### The BURDWALL Annual Charity Golf Tournament:

We have held **37** excellent annual tournaments, and over the years have raised well over **£40,000** for deserving causes.

**BURDWALL 2021** was a tremendously enjoyable day of golf, fellowship and fund raising, with 60 golfers playing an 18-hole stableford in 15 teams, with an individual putting competition, followed by an excellent buffet and a rousing prize-giving supported by **Wellingborough Golf Club President Mike Billson**.

Concerns about COVID meant that a number of players did not stay on for the prize-giving.

### Key Contributors & Sponsors:

And for the many donations from non-players, including:- **John McFarlane, Peter Lloyd, Robin Butler, David Powell, David Billson, Lance Tomlin, Andrew Wainwright and Jonathan Ballantyne**.

We were also grateful for the many prizes that were kindly donated to support the event, including golf rounds donated by **Collingtree Park, Market Harborough and Wellingborough Golf Clubs** for the **SILENT AUCTION**.

### Proceeds from the day
