COMMITTEE: FOUNDATION

REPORT FOR CLUB – AUGUST 2022

KEY PROJECTS and GOALS:

Foundation Giving.

Members continue to contribute to Foundation giving by way of the Bonus Ball. The first completed sheet resulted in a roll-over.

Polio Awareness.

Orders are now being taken for the Lindum Lincoln End Polio Now Christmas cards. The purchase of each pack of 10 results in a donation of approximately £2.50 to the club's Foundation account.

BPF Hydrotherapy Project.

The hydrotherapy programme with the BPF members looks set to resume at Moulton in September thanks to the hard work of Mike Jackson and physio Kirsten. Initially the sessions will be one-to-one with a view to starting four-to-one sessions in late September or early October running on a Wednesday afternoon. Some hands-on assistance will still be required and volunteers to help will be welcome.

Crocus Corms

An order has been placed for a box of purple crocus corms for use in the Isebrook garden. The order should be delivered in October.

RESOURCES / SUPPORT REQUIRED:

- Support for the bonus ball
- Personal contributions to both the APF and polio
- Hands-on support for the BPF Hydrotherapy programme when it resumes
