**REPORT FOR CLUB – FEBRUARY 2023**

**KEY PROJECTS and GOALS:**

**Foundation Speaker Visit**

We have been contacted via the D1070 website by Mark Taylor, who was a Foundation scholar sponsored by the club some 30 years ago. Mark would like to visit to speak to the club about the difference the scholarship made to his life. This would appear to be an ideal opportunity to invite back some past members who were directly involved in supporting Mark **as well as potential new members.**

**BPF Hydrotherapy Project.**

The hydrotherapy programme with the BPF members is now running on a weekly basis. Two members of the Northampton club have joined us with hands-on support at Moulton. Other volunteers or observers are welcome to attend at any time. The Foundation grant money plus the club contribution will start to be spent in March.

**Disability Games.**

The BPF team of 8 has been entered for the D1070 Disability Games to be held in Lincoln on Sunday 16<sup>th</sup> April 2023. **Support and offers of assistance on the day would be welcome.**

**Fund Raising and Foundation Awareness.**

In addition to the circa £500 rebate from Riviera Travel a further £200 has been received for Dogwatch 2022.

**RESOURCES / SUPPORT REQUIRED:**

- Support for the bonus ball
- Personal contributions to both the APF and polio
- Hands-on support for the BPF Hydrotherapy programme when it resumes
- **Hands on support at the Disability Games – 16th April 2023**
